

## Argus Branch Offices

For the accommodation of its patrons in various parts of the city, The Argus has established a system of branch offices, where subscriptions and advertising may be received and any information left that may pertain to any department of the paper, news or business. It is also planned to have at each of these branch offices every evening a supply of copies of The Argus of the day, so that any subscriber who may have failed under any circumstances to receive his paper, be supplied free of charge.
